

Looking for something special for your next event or conference?

A customised laughter session delivered by Australia's premier laughter leaders, Laughter Works, will help you and your message shine.

Why have a laughter session?

- fantastic ice-breaker
- customisable to your event
- energises and motivates participants
- no jokes, no scapegoats – culturally safe & non-offensive
- all sized groups - from one to 5,000
- no special equipment or props
- suitable for all ages & senses of humour
- topical, memorable and enjoyable

What is a laughter session?

Based on the worldwide phenomenon of laughter clubs it is a series of 'laughs' interspersed with relaxation and a few facts on laughter. They can be customised to your event or message.

What settings do they suit?

- conferences, seminars and expos
- breakfast, lunches and dinners
- after lunch energiser
- first thing in the morning
- corporate, social or personal events

Some of our many happy clients include:

Coca Cola, State Government of Victoria, Deloittes, ACT, GIA & Honda.

Laughter is one of the most basic of all human emotions. It cuts across age, gender, cultural and racial divides.

Formats

Every event is different and customisable:

- short breaks (5-10") throughout your conference
- 30 minute block after lunch or first thing in the morning
- combined in a 60 to 90 minute talk about a business issue such as change, stress-management, wellbeing, innovation or your burning issue

" Just thought I would say on behalf of NatRoad what a wonderful session yours was. It was great to see so many people get involved and have fun.

You're a hit in the NatRoad office! We now use all the laughs everyday and we can't stop! So thanks a bunch and look forward to keeping in touch!"

- Cate Patrick, NatRoad Limited

Why use Cris Popp?

- Australia's leading Corporate Laughter Leader
- proven track record – references available
- experienced facilitator - I can MC your whole day or just run a laughter session

I am also a leading trainer and consultant helping organisations to become more innovative, productive and stress-free. Visit www.workplacewellbeing.com.au.
